

*The George Mickelson Trail runs south to north through the ever majestic Black Hills. The 114 mile trail, that is brilliant with color in the fall, has 100 bridges, rock tunnels 14 trail heads, picnic areas, camp grounds and other lodging , as well as bike service in the towns along the way. The steepest grade is 14% in Dumont and the elevation rises gradually to 5700 feet. Although most of the trail has been improved there are a few rough gravel spots, wide tires are recommended. Rabbit Cycle Shop is 4 miles from us in Hill City.*
